Please consider a
Design/Build
Contract with

Fuqua Construction, Inc.

Our passion is working with churches to assist in developing their ideas, planning and building their projects. We work together as a Team: Owner / Builder / Design Professional to build the facility that brings your planning, vision and needs into reality with an expertly constructed project.

Trust Builds

Our past experience has built a growing list of customers who have entrusted us with the responsibility to build them a high quality project, being mindful to uphold and enhance their mission and use their funds wisely.

We would enjoy developing a relationship like this with your congregation.
